

**Web Site Navigation**

- The Home Page provides a dropdown navigation menu with links to the various sections and sub-sections/pages of your website
- The Breadcrumb tool tells you where you are on the site. This is a very handy feature which you should always utilize
- Every section has a left navigation panel which you can use to navigate between the pages of that section

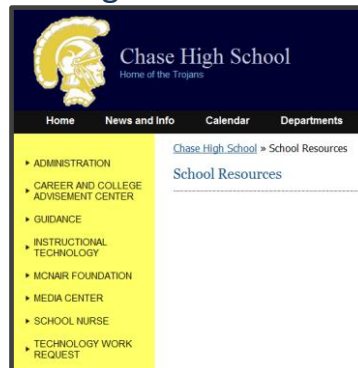

**Home Page Navigation**

1. Click the **Home** link (First link on the navigation menu)
2. Click on the name of the section you wish to view
3. To view the calendar, click the **Go to Main Calendar** option located below the mini-calendar section
4. Click on any of the links within the Quick Links section to navigate to the relevant sections
5. Click on any news article located below the News and Events section to read more about that article

**Navigating within a Section**

1. Click the name of the section you want to go to
2. From the navigation panel on the left or right hand side of the page, click the name of the page you want to view
3. To go to another page within the same section, simply click on the page name again

**Using the Breadcrumb tool**

The Breadcrumb is located at the top of every webpage

1. To go to the Home Page click on the name of the school or District
2. To go to a page/section one level above where you are, click on the link to the left of the page/section name displayed on the breadcrumb
3. To go to any other section simply click the section/page name if displayed.=
